We also appreciate that every municipality has a budget for their event or concert series, and we work with you as best as possible to fit your needs and cover our costs, as well as any licenses, tax forms, and agreements required.

A little more about the Cats...

Swing That Cat pounced onto the Philly scene in 2013.

Led by Michele Peraino, a modern-day of Rita Hayworth meets Catwoman, and vocals that blend the sultry tones of Sarah Vaughan and Rosemary Clooney, with the whisper and howl of Etta James.

Backed by a crazy bunch of cats including Hugh Luck (Flute), Chris Peraino (Guitar), Styx Latte (Drums), Sam Harasink (Bass), David Graham (Sax), and a rotating cast of crazy cats on Horns, who all call Philly / South Jersey their home. .
